

Risk Evaluation

1. What risks have you taken in the past?
2. How was this risk consistent with your values?
3. Were you pressured to take this risk?
4. What other choices did you have?
5. How did this affect your present and future status?
6. What feelings drove you to take that risk?
7. After taking the risk, what happened?
8. How/what changed?
9. How did others change?
10. In what ways was your organization (or you) better off from having taken this action?
11. How do you feel about yourself after taking this risk?
12. What did you learn from taking this risk?

After completing this evaluation, you learned _____
